News from RMIT University

➤ Bachelor of Creative Writing at RMIT

Students develop practical and professional skills in creative writing, informed by critical, historical and theoretical knowledge of writing industries, art forms and career opportunities. These skills include the capacity to experiment, produce, analyse and reflect upon work in a variety of writing styles, techniques and voices. Students learn about character, structure, theme, language and visual storytelling to enable successful writing in numerous forms and genres. Students are given options to collaborate with peers, other creative arts students and industry partners, through professional placements and work on student-led publications and productions. Major studies on offer are Asian Studies, Cinema Studies, Editing, Fiction writing, Literary studies, Non-fiction writing, Poetry writing, Popular culture, Professional practice, Publishing, Screenwriting.

VCE requirements: Units 3 and 4: a study score of at least 32 in any English

Selection into the course: All applicants must complete and submit the Creative Writing selection kit. Due dates will be published soon.

➤ **Bachelor of High Performance Sport**

The high performance industry is a global, multi-billion dollar entity employing sport scientists, coaches, strength and conditioning professionals, and high performance managers and analysts. At the heart of this industry is the conditioning of the athlete, with the aim of optimising individual and team performance, and keeping them at the top of their game.

The innovative ***Bachelor of High Performance Sport*** will be introduced in Semester 1 2019. Students will gain skills in sports performance and analysis, exercise programming, and strength and conditioning of athletes. They will learn to design and deliver programs that enhance athletic performance and reduce the likelihood of injury and illness.

This course will suit students seeking a career working with elite athletes in professional sporting organisations or sub-elite and junior programs. Emphasis is on:

- (1) athlete preparation, coaching, training and performance,
- (2) industry-relevant knowledge, skills and accreditation, and
- (3) work-integrated learning opportunities.

This course differs to other sport and exercise courses in that it has a specific focus on the high performance sport industry; international internship opportunities are on offer; students are taught by industry experts; and the fast-tracked study option allows full-time students to complete the course in 2.5 years so they can enter the workforce quickly or progress directly into [postgraduate study](#).

Visit [Bachelor of High Performance Sport](#) to find out more.

➤ **Sport and Outdoor Education**

Commencing in 2019, the 3-year ***Bachelor of Sport and Outdoor Education*** will offer core studies that provide an extensive knowledge and skills base in *human health, wellness and performance*, with a **specific focus on the role of sport, exercise and outdoor education**. This will be addressed from a psychological, physiological, exercise prescription and outdoor education perspective, explored in the contexts of community health, well-being, recreational physical activity, sports performance and outdoor education leadership. Industry-relevant practicum experience will also be embedded in the course.

The prerequisite VCE subjects will be a study score of at least 30 in English (EAL) or 25 in any other English, and *recommended studies* would be any of: Health and Human Development, Physical Education, Mathematics (any), Biology, Chemistry, Physics.

This qualification can lead to careers in settings such as:

- Outdoor Education Instructor
- Commercial and educational outdoor leader
- Outdoor recreation leadership
- Camp director/manager/programmer
- Exercise scientist
- Sports coach
- Physical activity officer
- Allied health assistant

This is not a teaching qualification but students who wish to teach can select certain electives in the course, and then complete a [Master of Teaching](#).

Career in Event Planning

The Good Universities Guide indicates that an **event planner or event coordinator** plans and organises special events, including parties, wedding receptions, product launches, banquets, meetings, conferences and conventions. Successful event planners –

- enjoy working with people
- good organisational and time management skills
- have every attention to detail
- good interpersonal and supervisory skills
- good communication skills
- neat personal appearance
- comfortable working with computers
- able to negotiate, delegate and work under pressure

Depending on the size of the establishment, events coordinators may work independently or as part of a team. They often work irregular hours, and on weekends and public holidays. **Learn more at [Good Universities Guide - Events](#)**

There are a number of institutions in Victoria that offer courses, or majors, in event management, and some of these include –
