School Council Elections 2018 Call for nominations

I would like to invite parents to take the opportunity to contribute to the development of Highvale Secondary College through membership of the College Council. College Council and its associated sub committees meet each month and take a key role in setting the strategic directions and operation of the school.

Highvale Secondary College Council consists of 15 members, 6 parents, 5 staff and 4 co-opted members.

Parent and DET representatives (teachers and/or support staff) of College Council are selected for a two year period with half of each group elected each year. Thus, College Council has a core of experience that can be passed onto new members.

Membership category	Term of office	Number of positions
Parent member	From the day after the declaration of the poll in 2018 to and inclusive of the date of the declaration of the poll in 2020.	3
DET employee member	From the day after the declaration of the poll in 2018 to and inclusive of the date of the declaration of the poll in 2020.	2

I have the pleasure of formally announcing a **notice of election and call for nominations for College Council**. A nomination form can be downloaded from Compass.

I encourage parents to consider this opportunity.

Nominations open from 3pm Friday 23rd February and close at 3pm on Friday 2nd March 2018. Nominations should be lodged in the box in the General Office.

If the number of nominations exceeds the number of positions available a ballot will be organised. This ballot would open on 3pm Monday 5th March and close on 3pm Monday 19th March 2018.

Literature
& French

Sarah Pyke
Accounting &
Business
Management

Jacob Barrett
Specialist, Physics,
Legal studies &
German

All our tutors are past Highvale students who achieved outstanding results in their chosen subjects and have been endorsed by the teaching staff as being highly knowledgeable of the subject content. The program runs in the safe, supervised environment of the senior study centre and provides a number of benefits for students of all learning stages.

Tutoring is a great resource for students and can help improve not only subject knowledge and results but also help students gain confidence, goal setting and time management skills as well as provide valuable feedback, encouragement and advice to students throughout their VCE.

Tutoring is set to commence on Monday 26th February and is available FREE to all senior students in Years 10 to 12. The program will be held after school in the senior study centre (SSC) 3pm - 4.30pm from Monday to Thursday each week.

Please refer to the timetable below for subject availability.

Please do not hesitate to contact Mrs Egan at keg@highvalesc.vic.edu.au to enquire about how you can get involved.

Kellie Egan
Tutoring Coordinator
