## YEAR 9 PARENT PAYMENT ARRANGEMENTS 2025

Dear Parent/Carer/Guardian,

Highvale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Highvale's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wide range of subjects and specialised curriculum experiences, including enhanced digital learning opportunities assisted by online learning resource programs and platforms available to our students.

Parent support has also assisted with the general maintenance and improvement of our college facilities. This has contributed to the:

- installation of air conditioning throughout every classroom
- construction of the college theatre
- provision of shade structures around the school
- installation of college fencing
- installation of an acoustically engineered music pod for our instrumental music
- a fully equipped weights and fitness centre
- the uplift of the VCE study centre
- the enhancement to our college gardens and outdoor spaces for student use
- we have also engaged contractors to upgrade two of our tennis courts to a fully synthetic surface in early 2025, allowing multi-sport use for our students.

The financial contributions we have received this year is significantly lower than in previous years. This is likely to have an impact longer term to the college's financial viability in turn impacting what resources we can offer our students.

Therefore, we encourage our wonderful college community to continue to provide positive financial support for the college through parent contributions and fundraising efforts.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Please find the charges schedule for Year 9 attached. Please complete this form and return to the College or alternatively log on to Compass to set up your payment arrangements.

Highvale Secondary College makes every effort to keep the cost of items and activities affordable for all families.

Yours sincerely,

Evan Miller  
Principal

Aswin Bindu

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
