**Experience Clever**

The greatest insights we gain are through experience – and when it comes to finding out what university life is really like, there’s no better way than at **Experience Clever**.

**Experience Clever** gives students the chance to not only see the La Trobe University campuses but experience them too – by taking part in fun and dynamic workshops led by real lecturers and teachers. Students get to see inside the La Trobe teaching facilities, particular to the areas of study that interest them. This free event is open to future students and parents, and registration is essential.

**Dates:**
Albury-Wodonga: Friday 1 June 2018
Bendigo: Wednesday 4 July 2018
Melbourne: Friday 6 July 2018
Registrations are open, and students must please register for which campus, and indicate which study areas they are considering. Details regarding the location of campuses and maps are also available at the registration link.

### Medicine, Nursing & Health Science Campus Tour

The Faculty of Medicine, Nursing and Health Sciences at Monash University is opening its doors for you students during the winter school holidays.

Monash University wishes to showcase its facilities that demonstrate innovation, collaboration, and endless discoveries. Students will get to see the advanced clinical buildings, comfortable study spaces, and everything the university’s largest faculty has to offer. There will be student ambassadors there to assist students with enquiries they may have about their areas of interest.

Each tour begins at 11.00am on the following dates:

- Monday 2 July (Clayton)
- Thursday 10 July (Peninsula)

Visit and register at [Medicine, Nursing & Health Science Campus Tours](#).

### Science Precinct Tour

Students considering studying science at Monash might like to take a closer look at where they could be studying next year. There is an option of visiting the science facilities and student spaces during the upcoming school holidays. Not only will students get a feel for campus life, have a chat with some of the science students and staff, but also get some course advice if needed.

Each tour begins at 10.00am on the following dates:

- Tuesday 3 July
- Thursday 5 July
- Tuesday 10 July
- Thursday 12 July

Visit and register at [Science Precinct Tours](#).
Trades at RMIT

RMIT’s building trades work closely with industry to respond to the needs of the workforce and address current and future skill shortages.

Trades at RMIT are focused on the building industry, including electrotechnology, and refrigeration. RMIT also has a pre-apprenticeship program that teaches participants the basic skills of a particular industry, providing them with an advantage when applying to an employer for an apprenticeship.

Students are encouraged to browse Building and Trades at RMIT to learn more.

ACU University Experience Days

University Experience is a free program that gives students the opportunity to sample two degrees of their choice. Students get a taste of life at ACU by meeting academic staff and current students – and trying out the course they are interested in. Students can choose workshops from a range of ACU study areas, including nursing, midwifery, business, paramedicine, education, physiotherapy, psychology, public health, exercise science, theology and lots more.

- Melbourne - Tuesday 3 July 2018
- Ballarat - Thursday 5 July 2018

Register for either of these events at University Experience Days

Career as a Paramedic

Deciding to become a paramedic is a life-changing decision. For many the first decision they want to make is to decide what type of paramedic training they need. Being a paramedic is about a lot more than lights and sirens and rushing to help someone in need. Paramedics perform clinical procedures, administer drugs, maintain patient records and decide the most appropriate medical facility to take someone to.

There are different types of paramedics – to find out more, visit Types of Paramedics.

To find out more about being a paramedic in Victoria, browse the Ambulance Victoria website at Paramedics
Science Degrees in Victoria

The Bachelor of Science is offered at the following universities and students are encouraged to visit [VTAC](https://www.vtac.vic.edu.au) for more information on these and other science-related courses – particularly the majors on offer – as well as double degrees, and/or browse each university link provided below.

Snapshot of Box Hill Institute (BHI) in 2018

- Box Hill Institute, formally known as Box Hill TAFE, began operating in 1984.
- Box Hill Institute (BHI) offers a qualifications range from certificates I to IV, diplomas and advanced diplomas, even associate, bachelor, and master’s degrees - Courses at BHI.
- BHI’s vocational and higher education qualifications are nationally accredited and internationally recognised.
- BHI offers apprenticeships, traineeships, and pre-apprenticeship courses across a range of trade and industry areas - Apprenticeships and Traineeships.
- BHI has three campuses - Box Hill Institute Campuses and through its partnerships with international educational institutions and other organisations, it has more than 20 international campuses delivering Australian qualifications to residents throughout the Asia-Pacific region and in the Middle East. The Lilydale Lakeside Campus is BHI’s new higher education facility based in Lilydale.
- BHI has a number of excellent facilities including its new, one of a kind, Integrated Technology Hub which provides collaborative and innovative learning spaces for the air conditioning, refrigeration, mechanical, plumbing and electrical technologies industries.
- There are excellent Workplace Training Facilities where students get access to real and simulated work environments in order to gain lots of practical hands-on experience. The environments are real, the tools and equipment are the latest, and the customers are paying members of the public. Some of our workplace training facilities:
  ✓ Spa and Salon on Elgar, providing spa treatments and services
  ✓ The Health and Wellbeing Hub
  ✓ Pets on Elgar, a veterinary clinic and dog-grooming centre
  ✓ Fountains Restaurant, delivering excellent food and beverage to diners
- BHI offers its students Study Abroad opportunities.
- BHI has a range of Student Support Services, including study support, and personal and career counselling.
- BHI has libraries at all its campuses.
- BHI offers offer a number of scholarships that:
  o recognise the academic achievement of students
  o help students who need financial assistance.
